MEDISCALES APPROVED

PRODUCT NUMBER 7732

Medical, health and well-being

- › Approved to Class III, MPG Class 1
- › Large tread with antislip surface
- › Modules for transfer of weight readings t
  o a PC, printer or mobile phone
- › Weighing range 250 kg
- › Division up to 150 kg = 50 g,
  from 150 kg = 100 g

MEDISCALES APPROVED

PRODUCT NUMBER 7732

Features

GSM | TM Bluetooth | M | Class III | RS232 | S TQM | CE

The MediScales are approved according to approval class III and according to medical product law class 1.

This high accuracy, reliability and usability are important factors for weighing procedures in surgeries, hospitals and medical organisations.

With the optional modules weighing results can be transferred via a serial interface, via Bluetooth™ or with GSM to a PC, printer or handy. These versions are required in telemedicine applications in the field of medicine/where approved weighing equipment is required.

With an extra flat and big weighing platform, the weighing is also easy for insecure and elderly people.

Design

› Approved to Class III, MPG Class 1
› Immediate start function
› Large tread, 405 x 325 mm
› Antislip surface
› LED display, digit height 15 mm
› Inclusive 230 V power adapter

Versions

1. Without communication
2. With serial interface RS 232
3. With Bluetooth™
4. With GSM (mobile radio)
5. With customised specifications
